Liberty Hall.

"This is Liberty hall, and you may smoke in the garden," is a maxim which has become typical of one sort of hospitality. Another version has just been perpetrated by a member of the early rising fraternity.

"I wish," said the host, "every one to do as he likes in my house."
It sounded very friendly, but on going to his bedroom the guest found a little card stating the times of meals. "Breakfast at 7:30," and in an N. B. was added, "It will be cleared away at 8:30."

The Golden Mean.

The motto of the Greeks was "Nothing too much."
An excess of courage is brutality.
An excess of economy is penury.

An excess of taste is precocity.
An excess of gentleness is timidity.
An excess of confidence is egotism.
Who will show us where to draw the line?—Ernest N. Lyon in Everybody's Magazine.

A Happy Pair.

Sylla—How is it that you and your husband agree so well? Mrs. Ray—Well, you see, he has given up his club. Sylla—And you? Mrs. Ray—I have given up amateur cookery. With those two destroyers of domestic felicity gone, why should we not be happy?

His Title.

"If it were customary in this country to confer titles upon men who go in for literature, what should I be?" asked a conceited journalist of his editor.
"Baron of Ideas," was the terse reply.

Grave Trouble Foreseen.

It needs but little foresight to tell that when your stomach and liver are badly affected, grave trouble is ahead unless you take the proper medicine for your disease, as Mrs. John A. Young of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by Chas. Rogers, druggist, at 50¢ a bottle.

The Finest and Purest Champagnes contain no artificial addition of alcohol, and as such G. H. Mumm's Extra Dry ranks preeminently above all other brands, hence its immense importations of 131,330 cases in 1904.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit through stealing the reputation of remedies which have been successfully curing diseases for over 35 years. A sure protection to you is our name on the wrapper. Look for it on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada.

UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.
Many women weep and wall and refuse to be comforted because their once magnificent tresses have become thin and faded. Many men incline to profanity because the flies bite through the thin thatch on their craniums. It will be good news to the miserable of both sexes, to learn that Newbro's Herpicide has been placed upon the market. This is the new scalp germicide and antiseptic that acts by destroying the germ or microbe that is the underlying cause of all hair destruction. Herpicide is a new preparation, made after a new formula on an entirely new principle. Anyone who has tried it will testify as to its worth. Try it yourself and be convinced. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
